Early Years Foundation Stage

Vision 2024 - 2025

Our vision is to create a nurturing early years environment where each child thrives holistically, with a focus on Communication and Language, Personal, Social and Emotional Development, and Physical Development. We are committed to fostering a love for learning, confidence, and curiosity, especially through enhancing communication skills to address low oracy levels. Our inclusive Early Years values every child, offering rich language opportunities, play-based learning, and strong relationships with families. We prioritise experiential learning, diverse cultural connections, and a curriculum that evolves with community needs, aiming to meet Early Learning Goals. Continuous staff development, assessment, and collaboration ensure our practices remain responsive and effective, providing children with a strong foundation for future success.
