## Relationships, Sex and Health Education Policy 2024-25

To Be reviewed Sep 2025

## **Introduction**

Relationships Education is compulsory for all pupils receiving primary education and Relationships and Sex Education (RSE) is compulsory for all pupils receiving secondary education. Health Education is also compulsory in all schools except independent schools. PSHE continues to be compulsory in independent settings.

At Forest Glade we wholeheartedly support the philosophy of RSHE and believe it is best taught as part of PSHE and citizenship education. Our programme seeks to promote the spiritual, moral, cultural, mental, and physical development of our pupils as well as preparing them for the opportunities, responsibilities, and experiences of adult life in a digital age.

We aim to help all our children build healthy friendships and positive relationships in an age-appropriate way, raising awareness of attitudes and values, developing personal and social skills, and promoting knowledge and understanding. Our RSHE curriculum covers more than the biological facts and information – it endeavours to help children develop self-esteem, self-responsibility as well as acquiring the understanding and attitudes which prepare children to develop caring, stable, healthy relationships. To develop an appreciation of the value of self-respect, dignity, marriage, civil partnerships, and parental duty should be encouraged in all pupils together with the sensitivity to the needs of others, loyalty, and acceptance of responsibility. We will look at all aspects of diversity in an inclusive and non-judgemental way.

Whilst as a school we are aware we need to be mindful of and respectful to a wide variety of faith and cultural beliefs, and we will make every attempt to be appropriately sensitive, equally it is essential that our children still have access to the learning they need to stay safe, healthy and understand their rights as individuals.

We acknowledge that all young people deserve the right to honest, open, and factually correct information to help better form their own beliefs and values, free from bias, judgement, or subjective personal beliefs of those who teach them.

## **Policy Development**

This policy has been developed to reflect the most recent Statutory RSHE guidance - [Relationships and sex education \(RSE\) and health education - GOV.UK \(www.gov.uk\)](https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/641422/Relationships_and_sex_education_-_RSE_and_health_education_-_GOV.UK.pdf)

This policy is reviewed and evaluated throughout the academic year. It is updated annually.

## **Roles, Responsibilities and Staff Training**

At Forest Glade the RSHE programme will be led by Steven Champion and Indigo Watkins. The programme leader will liaise with the governing body, parents/carers, Local Authority, and outside agencies and take responsibility for:

- Policy development and review
- Monitoring and assessing effectiveness in practice to inform policy review and development of the programme
- Assess and co-ordinate training and support for staff, parents/carers, where appropriate
- Liaise with external agencies to deliver specific elements of the programme
- Monitor and quality assure the programme to ensure continuity and progression with the spiral curriculum
- Ensure that RSHE is fully represented at appropriate curriculum and pastoral meetings
- Ensure parents/carers are aware of what is being taught, by whom and when
- Staff Training – RSHE can be a sensitive issue. We will support all our staff by making provision for teaching staff to clarify legislation, curriculum requirements, and to consider appropriate teaching approaches and materials. We will support the use of visitors from outside, such as health professionals, police and voluntary sector, and other organisations to provide support and training to staff teaching RSHE. We will ensure that all visitors have been quality assured in advance and only use reputable providers.

## **Confidentiality, Safeguarding and Child Protection**

It is inevitable that effective RSHE which allows for open discussion to take place which may lead pupils to share their worries and concerns with staff (verbally and/or non-verbally). We will ensure that all our staff are completely familiar with our Safeguarding and Child Protection procedures. Pupil's disclosures and/or suspicions of abuse must be followed up with the pupil concerned, the same day and referred to the Designated Safeguarding Lead (DSL) or their Deputy DSLs without delay. The DSL or the Deputy DSLs will deal with these disclosures or concerns in line with the school's policies and procedures.

Safeguarding is everyone's responsibility however all staff, governors, visitors, parents/carers, and pupils need to be aware of who to report to and how to report any safeguarding concerns. The Designated Safeguarding Lead/leads (DSL) and their Deputy/deputies in our school is/are Steven Champion, Gemma Gregory and Louise Armitage. The nominated Governor with responsibility for RSHE is Amanda Robinson.

## **Parental Rights to Withdraw**

At Forest Glade we are committed to ensuring that the education provided to our pupils in relationships education / RSE is appropriate to their age and compliant with the requirements of the Equality Act 2010.

We recognise, in accordance with the statutory guidance, that parents have the right to request for their child to be withdrawn from some or all of the sex education delivered as part of the statutory RSE (other than sex education in the National Curriculum as part of the Science curriculum), but not from relationships education at primary. Parents wishing to exercise this right must do so in writing to the Headteacher. They will be invited to discuss their concerns but if they still wish to withdraw their child(ren) we will make reasonable adjustments and provide suitable work for their child(ren) at this time.

## **Managing Difficult Questions**

It is inevitable that controversial issues may occur as part of RSHE, such as divorce, rape, abortion, pornography etc. We aim to address these issues with sensitivity and at a level appropriate to the age group and developmental stage of our pupils, considering any additional special educational needs, in an objective manner free from personal bias. Consideration will be given to the potential for small group or 1-1 discussion for specific questions to be discussed. We will take into account different viewpoints such as different religious beliefs. Discussions will be set within the legal framework and pupils made aware of the law as it relates to the issues being discussed.

## **Curriculum Design**

The RSHE curriculum at Forest Glade will be taught through PSHE lessons taught and planned by class teachers. Where possible meaningful links have been made across the curriculum with RSE. Additionally, external visitors such as health practitioners are also invited in to deliver some of the curriculum content. Lessons are delivered in mixed ability groups as a whole class. Children with SEN will receive the same content, however scaffolding and differentiation may be used to support them where needed. At Forest Glade, our curriculum and behaviour are based on our values which promotes a learning environment that is respectful where everybody feels able to discuss openly and honestly without fear of embarrassment or judgement.
