

# Nursery Spring Term Knowledge Organiser

We can get somewhere using a **vehicle**.

**Transport** has changed over **time**

The Wright brothers **invented** the first **aeroplane**.

People use different types of **transport** to travel on **land**, through the **air**, and across **water**.

It is **day** time when the **sun** is out, it is **night** time when the **sun** is not.

**Tim Peake** was the first man to walk in **space**.

**Neil Armstrong** was one of the first men on the **moon**.
