Summer – How do the arts tell a story?

We would love for you to engage with our enquiry at home. In the table below there are lots of optional activities to pick and choose from this term. Once you have completed an activity, please upload it using a photo/video on your Class Dojo portfolio. Your home learning will be rewarded with Dojo points as well!

<p>Create an Ancient Greek fact file. Research food, clothing, homes, schools or daily life.</p>	<p>Choose a shape or an object from home. Draw and shade this to create your own sketch. Use your learning from our art lessons to make it look 3D.</p>	<p>Design your own Olympic Games. Explain the sports that people will take part in. You can present this in anyway that you wish.</p>	<p>Create your own colour strip showing different tints or tones. Start with the lightest and make the colour get darker.</p>
<p>Copy one of L.S Lowry's pieces of art. You can sketch this or paint it using similar colours.</p>	<p>Design and/or make a Greek pot. Decorate this with traditional Greek patterns or scenes. Write some sentences explaining what your vase shows.</p>	<p>Create some shadows using a lamp or torch. Move the light into different positions. Sketch the shape the shadow creates.</p>	<p>Research some Ancient Greek myths. Create a storyboard to retell the myth in your own words.</p>
<p>Create an Ancient Greek building. Some ideas could be a temple, the Parthenon or any other. Take a photo and upload onto Dojo or bring it in to show us.</p>	<p>Create your own piece of artwork to show how your feeling. Use your learning from our art lessons.</p>	<p>Write your own Ancient Greek myth.</p>	<p>Paint your own picture based on L.S Lowry's work. This could be the street where you live, Sutton town centre or somewhere else special to you.</p>
<p>Sow some seeds of your choice. Watch how your seeds germinate and grow into plants. Create a diary of your observations.</p>	<p>Create a comic strip to explain how pollination happens and how it works.</p>	<p>Create some shadows using different objects. Experiment how you can change the size of the shadow. Take pictures and upload them onto your Dojo portfolio.</p>	<p>Go on a hunt around your house. Find different objects that are reflective and those that are not.</p>
