

Year 2 Autumn Term Knowledge Organiser

Ocean, sea, port, harbour, beach and cliff are features found at the coast.

Great Britain is surrounded by the North Sea, Irish Sea and English Channel.

The equator is the hottest part of Earth and splits the world into the Northern and Southern Hemispheres.

Christopher Columbus is remembered because his voyages helped us understand our world.

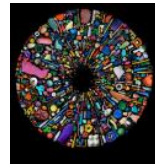

There are seven continents in the world. The UK is in Europe.

There are five oceans: Pacific, Atlantic, Indian, Southern and Arctic.

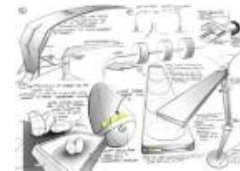

Sculptures can be made from different materials joined together, like slip with clay.

Mandy Barker is an artist who takes photos of artwork to raise awareness of plastic pollution.

A Likert scale helps us rate how good or bad something is.

A good design includes labelled parts, explains the materials used, and matches the purpose.

You can join materials in different ways, including by sewing like with a running stitch.

Year 2 Autumn Term Key Vocabulary

ocean	A huge area of salty water that covers a big part of the Earth.
sea	A large area of salty water that is smaller than an ocean. It is where an ocean meets land.
port	A place by water where ships and boats are loaded and unloaded. People can get on and off boats here too.
harbour	A safe place by the water where boats and ships can stay.
beach	A sandy or pebbly place where land meets water.
cliff	A steep, high piece of land that drops suddenly down to the ground or water below.
equator	An imaginary line that goes around the middle of the Earth, like a belt. It splits the Earth into two halves.
hemispheres	Half of the Earth, above or below the equator.
continents	A very large area of land made up of several countries.
voyages	A long journey, especially by ship.
sculptures	The art of making something 3D that represents something else.
materials	The items that objects are made from.
slip	Potters use slip to decorate or glue pieces of clay together when they are making pottery.
artwork	Something creative a person makes to show ideas, feelings or tell a story.
Likert scale	A rating scale to measure opinions, attitudes or behaviours.
design	To make or draw plans for something, for example clothes or buildings.
purpose	The reason why something is done.
labelled	Giving something a name or information so people know what it is.
sewing	The skill or activity of making or repairing clothes or other things made from cloth.
running stitch	A simple type of sewing stitch.
