In the Frog Bog

Down in the farmyard, the frogs sing cheep, but ...

Little Frog barks gruff.

The farmyard frogs yell,
"Stop that racket!"

So Little Frog lands in a garden.

Deep in the weeds, the garden frogs sing peep.

Little Frog sighs and barks gruff.

The garden frogs ask, “Are you a frog or a dog?”

So Little Frog hops to a bog.

High on the sandbank, the boatyard frogs sing cheep, peep, beep.

Sad Little Frog barks gruff and turns to go.

"Join us, Little Frog. We like that song!"

They all jump, thump and sing.
